Thank you for your interest in supporting authentic, joyful classical Catholic education! Your sponsorship will help ensure that 100 percent of the funds raised at the Two Wings Gala will be used to continue the education of our students now and into the future.

St. John Paul II Classical School was founded in 2016 and Chesterton Academy in 2021. They continue to grow because of the generous support of our parents, teachers, and members of our community. Please join us in advancing our mission of forming saints of the new millennium.
